विषय:- SAFETY CERTIFICATE FOR SCHOOL BUILDING KV, LBSNAA, MUSSOORIE.

संदर्भ:- आपका पत्र संख्या F-26/113/2023-24/STSMie दिनांक 01.09.2023

महोदय,

With Reference to above subject mentioned, It is certified that school building seems structurally safe for normal use and under normal conditions subjected to timely prevention of leakage from toilet and repair of cantilever projection and column, cracks seems reflected on the surface along external periphery of building at the bottom, water is percolating in building through these cracks, remedial measures should be taken for repairing the same.

This certificate is valid upto 01st Sept'2023 to 31th March'2024.
